Dear Soojin,

I am delighted to inform you that I have chosen to fund your Spring 2018 application for an SMFA Dean's Research Award. I chose to fund your application not only because you clearly spelled out your needs, but also because I found the examples of work you submitted, and your narrative about your practice, compelling.

My assistant, Laurel Hoffer, will soon be asking you for information that will allow us to process and send you the funding that you requested. **Please make sure to check your Tufts email for this message.**

I also want to apologize for how long it took me actually to select the award-winners. The reason for the delay is a function only of the challenges I face juggling multiple responsibilities. I am sincerely sorry for your having to wait so long to hear back from me.

Finally, please remember that the SMFA aspires to be a home for you throughout your life and career. If there is any way that my colleagues or I can be of service to you, please let me know.

Thank you for your patience, and congratulations!

With best wishes,
Nancy
