

North Star Collective Faculty Fellows: Cohort II

This year, 25 BIPOC faculty from across our 16 member institutions have been awarded the fellowship.

The North Star Collective Faculty Fellowship is a semester-long fellowship that promotes healing and repair by providing a nourishing community of care, mentorship and professional development for Black, Indigenous, People of Color (BIPOC) early-career faculty in the humanities and social sciences. This year, 25 BIPOC faculty from across our 16 member institutions have been awarded the fellowship.

The 2023 NSC Faculty Fellows are:

I. Dami Alegbeleye (University of Southern Maine, Leadership and Organizational Studies) Sovicheth Boun (Salem State University, Language Education) Eliana Castro (University of Vermont, Education)

Markeysha Davis (University of Hartford, Literature) Rebecca Davis (Simmons University, Library and Information Science) Jonathan Gordis (University of Hartford, Psychology)

Marianella Herrera (Framingham State University, Nutrition) Aishwarya P. Joshi (University of Vermont, Counseling and Counselor Education) Soojin Kim (Eastern Connecticut State University, Art)
