Hi Caroline and Soojin,

I know you have a lot of things going on right now but wanted to throw this out there ...if one of you is interested in this Horned Dorset residency in the summer (june or july), there may be funding available to you to cover the residency fee (\$4k) for 1 month so it would be free. The residency includes all meals and dinners at the [Horned Dorset Inn](#) which is very fancy.

<http://www.horneddorsetcolony.org/>

If either of you are interested, please let ken and I know.
